as a loan to the Municipality

& the Sanitary Comr. recommends the grant-in-aid of the project from the funds at the Credit of the Sanitary Board on condition that a proper pump is installed & maintained for the wells

As regards the other wells to be made as a loan by Govt., the source is not mentioned nor either in the present Communication or in the previous one from the Dy. Comr or the connected Record to which reference has not been made Perhaps the Financial Branch may be Consulted in this Proc

Submitted for orders

KP

29/3/19

The Sanitary Comr states that the wells in question are urgently needed to provide against a general scarcity of water in the locality The well of Kallinkatte is too low to meet any portion of the cost It has a closing balance of Rs 968/- while the cost of the two wells comes to Rs 2902 Since the cost of the scheme is below Rs 5000/ the Sanitary Comr

NOTE—Contn sheet

the Maharaja of Mysore, Revenue Department,
Bangalore.

Sir,

I have the honour to state that the President of the Kallurkatte Municipality while submitting two estimates for Rs 1902/- for sinking two wells reports in consultation with the Municipal Council that the amount of the said estimates may be met out of the funds allotted for Sanitary Improvements in the towns and villages in pursuance of Government Order No. G. 5321-44 San. 47-17-6 dated 12th September 1918 as the Municipality is too poor to meet any portion of the said cost under Para 3 of Rule 7 of the Rules appended thereto. These works which fall under clause (a) of Rule I. of the said rules is reported to be very urgently needed to provide against the general scarcity of water in the said locality.

It is also reported that the amount of the Municipal quota of half the cost of the said estimates Viz, Rs 951/- may kindly be granted as a Loan to the Municipality which promises repayment in instalments of Rs 100/- annually in case the
